This perfect one-story Rockcress from Bloomfield Homes offers 3 bedrooms, 2.5 baths, and a Study. Lots of beautiful upgrades including Wood-look Ceramic Tile Floors extensively thru common areas, 2" faux wood blinds preinstalled, and a Stone Fireplace with gas logs that reaches the Family Room ceiling. This floor plan is defined by the signature J-swing driveway and the open-concept living space with a 10' ceiling & huge picture windows. The kitchen is a chef's paradise where you'll enjoy a large center island, built-in SS appliances, and a large walk-in pantry. Quick meals can be enjoyed sitting in barstools at the island, or gather around the table in the Breakfast Nook with a patio door ideal for breezy evenings. Your Primary Suite offers a luxurious retreat, located away from the other bedrooms, with a spa-like enlarged shower. Don't let the square footage fool you, this home lives large! Visit Bloomfield's new models in Homestead today to tour.
