Bloomfield's Hawthorne presents a charming single-story layout, boasting 4 bedrooms & 2 baths with contemporary upgrades. Step inside the 8' stained wood & rain glass entry door to discover the beautiful glazed porcelain wood-look tile floors and the quartz countertops throughout the home. Kitchen boasts a spacious island, gas SS appliances, and undercabinet lighting. Retreat to the Primary Suite, where ample space welcomes a king bed with ease, while the additional 3 rooms offer versatile options to suit your needs. Noteworthy features include a Covered Patio with a gas drop for outdoor enjoyment, cedar doors on a huge 3-car garage, gutters, exterior uplighting, and 2" faux wood blinds. Don't overlook the bright study at the front, offering a serene space for work or relaxation, or use as for a formal dining room. Be sure to visit Bloomfield's model in Fox Hollow to experience the charm of the area and explore this inviting home firsthand!
