Be the first to live in this modern home with an open-concept layout named 'The Jasmine.' The lot backs to a greenbelt and the backyard has premium black metal fencing for unobstructed pastoral views! All of today's hottest features were included: 10' ceilings, massive windows, storage in the laundry, covered rear patio, and a stone-to-ceiling fireplace! Handsome brick & stone façade enhanced by a professional landscaping package and stately 8' front door. Interior finishes do not disappoint with durable & fashionable Laminate Wood floors found in common spaces. The Gourmet Kitchen sports quartz countertops and built-in SS appliances. Not just a pretty space, the kitchen is equipped with a microwave-oven tower and gas cooktop with a wood vent hood above and pot & pan drawers below. Primary Suite on the opposite side of the home away from the other 3 bedrooms. Much more to see, stop by Star Ranch to explore all Bloomfield offers!
