This home is perfect for anyone looking for a unique, open-concept floor plan with outdoor living spaces and a traditional color palette. Bloomfield's Dogwood III is like no other, with a design that touches on mid-century modern from the vaulted ceiling with an overlook from the second floor and an abundance of windows. The upgrades selected make this home feel custom, like an extended cabinetry in the Breakfast Nook, a Study option with dual doors, a Stone-to-ceiling Fireplace added in the Family Room, a Gas Drop on the Covered Patio, upgraded exterior lighting, and Laminate Wood floors throughout. In the functional island kitchen enjoy granite counters, a single bowl stainless sink, gas stainless steel appliances, and subway tile backsplash. Primary Suite and 2 bedrooms sharing a bath downstairs; Game Room, Bed 4, Bath 3 upstairs can be used as a private loft. Community Pool, Playgrounds, Trails & more are all nearby! Visit Bloomfield at Silo Mills to tour today.
