Situated on a corner homesite over 15,000 square feet, this Caraway plan from Bloomfield offers exquisite finishes through 4 spacious bedrooms, 3 baths, and a breathtaking open-concept living space! Enhancements like hand-scraped wood floors, upper & lower cabinets in the laundry room, 2" faux wood blinds, a cedar garage door, and a direct vent fireplace with stacked stone-to-ceiling surround make this home feel truly turn-key. The Primary Suite is a private retreat tucked away from the rest of the bedrooms; has backyard views from a window seat, a giant walk-in closet connected to the laundry, and a dream ensuite with an oversized shower & separate vanities. There is a second guest suite that sits off the foyer. Whether hosting or cooking, the Gourmet Kitchen is ready to go with extensive work surface & storage, quartz tops, a double oven, a wood hood above a 5-burner gas range, and an extra-large pantry! Windows, windows, windows! And the adjacent dining space has a back door leading to the lovely Covered Patio. Come by Bloomfield at Triple Diamond today.
