Bloomfield's Dewberry III plan offers a gorgeous brick & stone-accented facade with a 3-car garage and second-floor balcony. On a greenbelt-backing homesite in a gated community! Well-selected laminate floors in high-traffic areas give you the look of hardwood with low maintenance, Glass French Doors at the Study, Painted Cabinets, and a Stone Fireplace with Cedar Mantel add elegance to this already timeless home. Memories are ready to be made in the Deluxe Kitchen, with a massive island, quartz tops, double oven, built-in gas cooktop, and extensive storage from a wall of cabinets & the Texas-sized pantry with a frosted glass door! Find 4 bedrooms, including 2 sharing a Jack & Jill bathroom, and the Game Room flex space upstairs. If you like to spend time outside, you'll love the Covered Back Patio and that the homesite already comes fenced, sodded, landscaped, and with a sprinkler system.
