The Caraway plan from Bloomfield is a popular single-story home offering 4 spacious bedrooms, 3 baths, 2-car garage with wood door, and a gorgeous kitchen with massive island! Upgraded finishes enhance this home further and truly make it turn-key ready, like wood floors in main living areas, quartz surfaces throughout, premium ceramic tile in baths, and a stone-to-ceiling fireplace with gas logs. Primary Suite is a private retreat tucked away from the rest of the bedrooms. Has backyard views from a window seat, a giant walk-in closet connected to the laundry room, and a dream ensuite with separate vanities. There's a second Guest Suite at the front. Whether it's hosting or cooking a family meal, the Deluxe Kitchen is ready to go with 5-burner gas cooktop, double ovens, 3x pendant lights over the island, and an extra-large pantry! Windows, windows, windows!! And the adjacent dining space has a back door to the lovely Covered Patio. Visit Bloomfield at The Oaks to tour & explore the area.
